To,

**ABEXA WORLDWIDE**

Mumbai

This is to place on record the excellent implementation, training and sincere support given by Tanuj and your back-office in computerizing our all India servicing activities.

Your software is good and we are happy that it has automated all our support & maintenance activities.

The best part is that you have done the entire project over the internet without meeting us.

We wish you all the very best and have no hesitation in recommending ABEXA WORLDWIDE to other companies

Thanking You
