Dear Mr Tanuj,

REF: SERVICE & MAINTANANCE SOFTWARE

In reference to the above mentioned subject, we wish to express our gratitude to Abexa World and in particular yourself for the exemplary service and support you have rendered since implementation of the software. The dedication you put towards management of the system has helped our business immensely and made Megascope Healthcare (K) Ltd stand out as one amongst many companies with an efficient monitoring system.

Through your helpful advice, we inherited a management system that has seen service delivery at the health facilities tremendously improve and as such saving lives.

We once again thank you for your support and professional guidance and wish you the best in all your future endeavours.

Yours sincerely
