

## CERTIFICATE OF COMPLETION

November 17, 2020

To Whom it may concern:

This is to certify that **Abexa Worldwide** successfully completed the implementation of Customer Service Management System in our company.

Implementation team headed by Mr. Tanuj, was very accommodating and able to help us throughout the implementation. The team able to complete the project on time remotely from installation, training and support.

We appreciate the outstanding support and cooperation.

Thank you very
